22. To see if the Town of Brentwood will vote to oppose the selection of any site in N.H. as a disposal site for high level radioactive materials; authorize town officials to cooperate with state officials and others in opposition to said selection; and, direct town officials to communicate the sentiment expressed in this article to the President of the United States, the United States Department of Energy, the N.H. Congressional Delegation and the Governor of the State of N.H.

23. Submitted by petition:

To see whether the Town will vote to direct its Selectmen to bring any town-related radiological emergency response plan for Seabrook Station Nuclear Plant which is developed by or for the town to Town Meeting for approval by majority vote before accepting, approving, or implementing any such plan or any part of any such plan.

24. Submitted by petition:

To see whether the Town will vote to direct its Selectmen to write to the Federal Emergency Management Agency and to the Nuclear Regulatory Commission and to request the return to the Town of the Brentwood Emergency Response Plan for Seabrook Station (Nuclear Plant) submitted December 9, 1985, by the Director of the State of New Hampshire Civil Defense Agency, on the grounds that such submission was premature in that the plan does not yet have the approval of the Town and could not in its present state be implemented in case of emergency.

25. Submitted by petition:

To see whether the Town will vote to prohibit the use of the Radiological Emergency Public Alerting System, the pole-mounted voice loudspeaker channel, and the sirens except in the case of a declared General Emergency Radiological disaster.

26. To hear the reports and recommendations of all Committees and Commissions and to take any action necessary in regards to said reports.

27. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord, nineteen hundred and eighty-six.

REPORT OF SPECIAL TOWN MEETING -----NOVEMBER 6, 1985

At a legal meeting of the Inhabitants of the Town of Brentwood, in the County of Rockingham, State of N.H., qualified to vote in Town Affairs, held at the Fire House on Wednesday, November 6th the following information and general discussion of concern to the citizens of the Town regarding the layout, including the reopening, of roads by the Selectmen as provided by RSA 231:8.

Moderator Richard Chamberlain opened the meeting at 8:00 p.m. reading the warrant as posted.

Hal Sherman questioned why special Town Meeting where there was no provision to vote? Also questioned warrant as being written without provision to close the meeting. Mr. Sherman asked why vote was not taken at Town Meeting as done on previous roads? Mr. Chamberlain asked the Selectmen to respond to Hal's questions...no response from the Selectmen.

Ike Cross spoke and remarked that after living 30 years in town, he has never been to a Town Meeting where the Selectmen did not sit up front and face the voters of the Town.

Dick Chamberlain asked the Selectmen for an explanation as to why they were not sitting facing the voters. Mr. McCain responded that he didn't know any law that said the Selectmen had to sit up front. Selectmen moved to the front.

Mr. McCain said he would answer the questions as much as he thought he could because he was following advice of Town Counsel. Said article was tabled at March Town Meeting because when matter was brought to his attention he started to investigate the matter... it was brought to his attention it was the responsibility of the Selectmen per RSA 231:8, 231:21, 231:22, and 231:45 to open roads.

Lois DeYoung asked McCain if, as an elected official, he would not vote as the people wished. McCain said that as Selectman he has to follow the laws and in this case the people's wishes didn't matter.

Fran Thorsell asked if the 7 page letter from town counsel was advice the Selectmen are following on the John Grammas petition? McCain said yes. Thorsell said on page 4-b... Grammas petition is mandated by 674:40. Thorsell asked moderator to read RSA 674:40 and then asked if Selectmen are mentioned in this RSA? Response, no.

Roger Brown stated that he was at last Town Meeting and the account that was given for the tabling of the article was not stated to the voters. Article wasn't tabled until the next Town Meeting but shelved for a few days.

Ike Cross spoke and said he thought matter was handled poorly, McCain agreed people voting were misled. Doug Cowie said it was not intentional.

Thorsell asked McCain to explain the term "ruling out fatals". McCain explained it is a term used in computer business all the time and it means that if you have any errors, get rid of them before plan is submitted.

November 6, 1985 Special Town Meeting, cont'd.

Lorraine DeSouza asked how we the voters regain the power to not only close roads but open them? Answer...through the legislature. Also wanted to know how the Selectmen determine the best interests and needs of the Town. McCain explained there are certain guidelines that the Selectmen have to follow and the decision must be a written one.

Hal Sherman submitted a petition with 150 registered voters names to rescind or not to rescind the vote of the previous Town Meeting to close Haigh Road.

Al Belanger asked if this was the first time the Town opened closed road...Answer, no.

Thorsell asked 3 questions: 1) why the difference in Leo Roy's road and this one. Cowie said basically none...only the interpretation of the law. 2) why the difference in petition that was submitted to the Selectmen and the warrant which was posted...answer on advice of town counsel. 3) why did Selectmen stay with town counsel when firm changed hands? Selectmen answered they felt it was not in the best interests of the Town to change lawyers in the middle of a successful law suit which was pending.

Ike Cross asked McCain why, when everyone wants to do the right thing and now with a petition, we can't get together and make it work so the people can participate...why not? McCain responded that the reason no vote taken tonight that a waiver had been requested from Mr. Grammas...if such a vote is taken here tonight it will not be used against the Town. Waiver has not been received. McCain made a motion and was duly seconded to allow John Grammas and his attorney, G. Page Brown, to speak though they are not registered voters. Motion passed by voice vote.

Page Brown explained they are trying to comply with the laws. Waiver not signed because he had stated at the last meeting with the Selectmen that they would not cause a hassle if a town vote was taken tonight...also stating it here tonight. Grammas spoke to the townspeople and explained his plan...said he was doing everything that was asked...said the planning board was fair...Selectmen not.

Al Belanger suggested to McCain that as our Representative he should address the law re: opening of closed roads in the legislative session.

Cross said everyone is trying to do the right thing, why are be beating this to death? Let's get together and do the right thing...give the people a right to vote.

Jane Byrne asked if the Selectmen were going to honor the petition in front of them. They will. Lois DeYoung apologized to McCain for prior remarks.

Tom Welch explained that the way the law is written now, the Town can vote to close a road and the Selectmen can open it. If Selectmen open road one day and the townspeople vote to close it...could cause the Town a liability...might have to pay costs.

Hal Sherman explained petition again...not open road...to rescind previous vote...asked when next meeting. Moderator read petition that was submitted as informational to people.

Motion to adjourn was made by Roger Brown at 10:00 p.m., duly seconded. Passed by voice vote.

Respectfully submitted,

Phyllis Whitehouse

Warren A. Brown,Treasurer

TOWN OF BRENTWOOD
BRENTWOOD, NEW HAMPSHIRE

I have examined the books and records of the Town of Brentwood and its Officers as of 31 December 1985. The examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as considered necessary in the circumstances.

The Town Treasurer's Account has a balance on hand as of 31 December 1985 of two hundred thirty-nine thousand, six hundred forty-two dollars and twenty-nine cents ($239,642.29). Included in this total are two thousand, five hundred ninety-five dollars and sixty-six cents ($2,595.66) of Revenue Sharing Funds.

In my opinion, the cash position above fairly and accurately represents the financial position of the Town of Brentwood as of 31 December 1985. The Town Treasurer, Town Clerk/Tax Collector and Selectmen's Administrative Assistant are to be commended for keeping accurate and timely records for the Town.

MARY E. BARTLETT MEMORIAL LIBRARY

1985 marked another successful year for the library circulation increased again, the number of library patrons increased, and many old and new programs were supported by Brentwood citizens.

A copy machine was purchased with money from George Beyea Fund. Unfortunately, the copy machine was stolen. Another copy machine was purchased with insurance money, donations, and money from the Beyea Fund. The copy machine has been useful to the librarian, students and adults.

New light fixtures were installed in the non-fiction area...again, money from the Beyea fund was used.

The Woodard Fund was expended with the money going to the purchase of children's books.

The library received several donations of magazine subscriptions. These generous donations enable Diane McCain to broaden our subscriptions in other areas.

The number of large-print books have increased and are popular with many people. The library has several books on tape, and these have become very popular. The children's tapes "Cliffhangers", have also been well received.

The Friends of the Library started the popular 'toybrary! Children are able to borrow an educational, and creative toy to enjoy at home. Again, they sponsored several successful programs including the summer reading program.

The library's success is dependent on the work of many people. Diane McCain, librarian, spends many unpaid hours improving our library. Other individuals that deserve attention are Mrs. Muriel Dodge, Mrs. Covey, Mrs. Lois Burn, and Mrs. Grace Wood. Grace works as an assistant to Diane, and also volunteers much of her time.

Overdue books and tapes continue to be a problem. The library runs on a limited budget. The town appropriation for 1985 was $2825., and this covers all book and media purchases, professional dues, book processing, selection guides and many other items. One tape costs $15. and an average fiction book costs at least $12. When these are not returned it makes a big dent in our small budget. The maximum fine is $1. per book, so please return any overdue material.

We hope to see more of you in 1986. The librarian and trustees want to serve Brentwood citizens to the best of our ability. Renovation, including access for the handicapped, will be done in cooperation with the Town. It is hoped that we will have the continued support of our library patrons, and Friends of the Library in our future goals.

Respectfully submitted,

Vincie MacDonald

REPORT OF THE FIRE DEPARTMENT

This report is separated into two parts, Fire Department and Rescue Squad.

Fire Department:

This year the Fire Department responded to 146 calls as shown on the accompanying graph. This is up from 116 calls in 1984. With the exception of September (the day of the hurricane) our worst month was April. The majority of calls in April were brush fire calls. Please, before you burn outdoors, contact the Fire Dept. for a permit.

At last year's Town Meeting, the Town approved a Capital Reserve Fund for the purchase of a new front line pumper. This vote was declared illegal by the State of N.H. This year we are asking for the full amount to purchase the new truck. With the development that is happening in Town, we need this new truck to continue to provide the level of fire protection to the Town that it has been used to.

Again, we wish to thank the Rockingham County Sheriff's Dispatch Center for the excellent job it has done dispatching our fire and rescue units.

Brentwood Volunteer Rescue:

In 1985 the Brentwood Volunteer Rescue responded to 30 fewer calls than in 1984. The 1985 calls totaled 106 and, as usual, covered the full spectrum of accidents and illnesses. For the first time in eighteen years of the service we were faced with a child birth situation. The crew was nearly as thrilled as the parents.

Along with the number of calls being down, the number of volunteers was at a dangerously low number through most of the year. We held an informational meeting in November which produced an enthusiastic group of residents. Ten of them began classes in January which will qualify them for ambulance attendant licenses in a few months. These people were badly needed and we appreciate their interest and look forward to working with them. New members are always welcome.

1985 again showed tremendous support from the residents of Brentwood with the many generous donations. Some of the items purchased with the donations were: two water rescue suits, a Miller long spine board, a new emergency jump kit and additions and replacement of many other small but necessary items.

I would like to thank all the members of the squad for the many hours of responding to calls, attending meetings and training sessions and being dedicated. I also thank their families for having the patience to live with the crazy schedules. Thanks also to the firemen who drove for us.

Those who were attendants during 1985 were: Lisa Anderson, Ted Boddy, Louise Byrne, Ian Chamberlain, Holly Gilbert, Al Lampert, Diane Lampert, Andy Laroche, Al Martel, Diane McCain, Flo Olson, John Page, Don Raymond and John Stevens.

Respectfully submitted,

Richard Strout, President

REPORT OF THE CHIEF OF POLICE:

To: The Board of Selectmen and the Citizens of Brentwood

It is my pleasure to submit this report for the year 1985. Two officers resigned during the past year, Paul Teza to other committments and Norman Locke for health reasons. Norman volunteered to stay on as Animal Control Officer for another year. Their services as police officers will be greatly missed.

Kevin Johnston has been appointed to the department and is now attending the Part-Time Officers Course sponsored by the N.H. Police Training and Standards.

I would like to thank the Citizens of Brentwood, the Selectmen, and the officers of the department for their support and cooperation during this past year. The following is a breakdown of the type and number of calls answered by the department this past year.

Accidents	65	Assist Fire Dept.	102
Domestics	30	Assist Rescue Squad	75
Assist other P.D.'s	15	Animal Complaints	140
Alarms	28	Breaking and Entering	8
Court	87	Juvenile Complaints	31
Suspicious persons	9	Vandalism	21
Unattended deaths	2	Misc. calls	327

REPORT OF THE BRENTWOOD RECREATION COMMISSION

Recreation in Brentwood has, historically, fluctuated both in the variety of programs offered and the level of participation by the community. The year 1985 deviated very little from this norm. We seem to have established certain areas of proficiency while still struggling to find our niche in others.

A prime example of our success was the 1985 Learn to Ski Program, held in January at King Pine Ski Area in East Madison. The Town of Brentwood continues to respond very favorably to this activity, with more than one hundred skiers in attendance at each of our four weekly outings. This strong interest was further illustrated by the volume of merchandise moved at our Annual Ski and Skate Sale in October.

Our summerfest 1985 was not the success for which we had hoped. This activity continues to be an enigma to those of us who have attempted to put together the perfect combination of summer activities for the past several years. This year, however, we did come away with one major accomplishment...that of becoming familiar with a new, young "core" of participants whose faces are certain to appear at many of our activities in the years to come.

A major project which required a great deal of the Commission's attention during 1985 was the development and execution of plans for the 8.86 acres of Town property adjacent to the Recreation Center whose management was entrusted to us by unanimous vote at last year's Town Meeting. We now have nearly six acres of multi-purpose athletic fields, flanked by adequate parking, scenic picnic areas and carefully preserved groves of evergreen and hardwood trees. Additionally, a road is now in existence, making this entire area of Town land easily accessible. Those who helped make this concept a reality are to be considered a tremendous asset to the Town of Brentwood. Emphasis now will turn to the expansion of our building facility in order to make it more conducive to recreation activities.

The goal of the Recreation Commission has always been to offer a variety of enriching and wholesome activities to the residents of our Town. In the year 1986 the Commission will see a number of new members, bringing with them new ideas. Your continued support of all our endeavors is always deeply appreciated.

Betsey Wright, Chairman

REPORT OF SELECT COMMITTEE TO STUDY SEMI-ANNUAL TAXATION & CHANGE TO FISCAL YEAR BASIS

The Select Committee held meetings on 21 Oct 85, 13 Nov 85, 10 Dec 85 and 15 Jan 86 at the Town Offices. With exception of the organizational meeting of 21 Oct 85, all meetings were advertised in the Brentwood Newsletter and were open to the public.

In regard to the matter of changing Town Business from an annual basis to a fiscal year basis coinciding with the Brentwood School District, the committee unanimously recommends that such action be taken as soon as possible. The change will result in uniformity of budget preparation and record keeping and will allow theTown Meeting to consider and approve a Town Budget before it goes into effect. Implementation of this recommendation requires unanimous vote of the Selectmen together with approval of a two-thirds majority of the Budget Committee. (RSA 31:94-b Amended)

In regard to the matter of semi-annual taxation, the select committee by a majority vote (5-1) recommends that the Town of Brentwood adopt a provision for semi-annual tax collection to be effective 1 July 1987. This change will result in reducing the expense of borrowing money to finance town operations and increasing interest income when the 1 July tax receipts are placed in short-term investments. Conversely, adoption of semi-annual taxation does result in additional expenses of postage and handling to send out two bills. Evidence indicates that semi-annual taxation will benefit the town in conduct of its business. It is less clear whether individual residents will or will not benefit. Overall, however, adoption of semi-annual taxation should result in better cash flow, strengthened financial stability, higher bond rating and improved management of Town resources. Implementation of this recommendation requires a majority vote of the governing body.

SCHOOL DISTRICT MEETING

Brentwood, NH March 7, 1985

The Brentwood School District Meeting was held at the Firehouse, Thursday, March 7, 1985. Moderator, Bill Vahey opened the meeting at 7:37 P.M.

A motion was made by Fran Thorsell to waive the reading of the warrent. The motion was duly seconded and carried by a voice vote

Article 1: Diane McCain made a motion to see if the District would vote to raise and appropriate a sum not to exceed One Thousand Nine Hundred Dollars ($1,900.00) for the purpose of purchasing a copier for Swasey School. The motion was duly seconded. Margaret Griffin, principal of Swasey School, was given permission to speak in favor of the Article. The motion passed by a voice vote.

Article 2: Sidney Gove made a motion that the District vote to raise and appropriate a sum not to exceed Six Thousand Five Hundred Dollars ($6,500.00) to weather seal, edge and clean the entrance, parking lots and sidewalks at Swasey School. The motion was seconded by Diane McCain. This Article was not recommended by the Budget Committee. Nathan Greenberg was given permission to speak. After some discussion, the consensus of opinion appeared to be that more time and an opinion from the Road Agent were needed. The motion failed to carry on a voice vote.

Article 3: Doug Veinotte made a motion that the District authorize the expenditure of Five Thousand Four Hundred Dollars ($5,400.00) for the purpose of selecting and retaining an architectural or engineering firm to study and prepare specifications for bid for repair of Swasey Central School as directed by the District School Board and; further, approve that a committee of three, chaired by a School Board member, be formed from the Town voters list to assist in the selection of such firm of engineers/architects; and that the recommendation of the committee be provided to the School Board for their final approval-such recommendation to be presented prior to May 31, 1985. The motion was seconded by Diane McCain. The motion failed to carry by a standing vote.

Article 4: Diane McCain made a motion to see if the District would raise a deficit appropriation of Twenty-five Thousand Three Hundred Thirty-three Dollars and Seventy-six Cents ($25,333.76) for the purpose of special education tuition and special education transportation, which would increase the 1984-85 appropriation from One Million Eighteen Thousand Two Hundred Eight Dollars ($1,018,208.00) to One Million Forty-three Thousand Five Hundred Forty-one Dollars and Seventy-six Cents ($1,043,541.76) and authorize the Selectmen to pay over to the School

District the aforementionned Twenty-five Thousand Three Hundred Thirty-three Dollars and Seventy six Cents ($25,333.76) by June 30, 1985. The motion was seconded by Doug Veinotte. Doug Veinotte then proposed an amendment to reduce the deficit appropriation to Twenty-three Thousand Nine Hundred Forty-five Dollars and Seventy Cents ($23,945.70). The amendment was seconded by Diane McCain. A discussion followed concerning the procedures for deficit spending. Bill McCain then made a motion to table the amendment. The motion was duly seconded and passed by a voice vote. Doug Cowie moved to table the main motion. The motion was duly seconded and passed by a voice vote.

Article 5: Sid Gove made a motion that the District determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the District. The motion was duly seconded and passed by a voice vote.

Article 6: Diane McCain made a motion to hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto. The motion was duly seconded. No reports were heard.

Article 7: Doug Veinotte made a motion to see if the District would vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year; said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds; and shall be exempt from all provisions of RSA 32 relative to limitations and expenditures of School District monies. The motion was seconded by Diane McCain and passed by a voice vote.

Article 8: A motion was made by Sid Gove to choose agents and committees in relation to any subject embraced in this warrant. The motion was seconded by Diane McCain. Liz Dodge made a motion that the Moderator appoint a task force, before April 15, 1985, of no more than nine (9) members, including at least one School Board member, to study the need for repairs of Swasey Central School and make recommendations to the School Board before November 1, 1985. The motion was duly seconded and passed by a voice vote. Bill McCain made a motion that the Moderator instruct the School Board and the Budget Committee to meet within four (4) weeks to clear up the problem with deficit spending; and that the meeting be recessed after Article 9 so that a special District meeting need not be called. Doug Veinotte then amended Mr. McCain's motion to request a fifteen minute recess. This amendment was duly seconded and passed by a voice vote. After the recess, Mr. McCain withdrew his motion concerning deficit spending; the second was also withdrawn.

Article 9: Doug Veinotte made a motion that the School District vote to raise and appropriate for the support of schools, for the payment of salaries for School District officers and agents, and for the payment of the statuatory obligations of the District, the sum of One Million One Hundred Forty-nine Thousand, One Hundred Ninety-eight Dollars and Forty-nine Cents ($1,149,198.49). The motion was seconded by Diane McCain. This figure included the $1,900 already voted in Article 1, the School Board's recommendations as printed in the Town Report with some changes discussed by Doug Veinotte. Bill Mc Cain proposed an amendment to change the appropriation figure to One Million One Hundred Thirty-seven Thousand Nine Hundred Forty-six Dollars and Ten Cents ($1,137,946.10). This amendment was seconded by Letty Hett. Mr. McCain's figure represented the Budget Committee's recommendation. A discussion followed concerning the detailed differences between the School Board figure and the Budget Committee figure. The amendment failed to carry by a voice vote. Liz Dodge then proposed an amendment to change the appropriation figure to One Million One Hundred Forty-six Thousand Seven Hundred Ninety-nine Dollars and Forty-nine Cents ($1,146,799.49) The amendment was duly seconded. Mrs. Dodge's figure basically retained the School Board's requests for staff salary and benefit increases, but reduced by Two Thousand Three Hundred and Ninety-nine Dollars ($2,399.00) the School Board's request for conferences, fuel oil and substitutes. The amendment passed by a voice vote. The main motion was then passed by a voice vote.

Article 10: A motion to adjourn the meeting was made at 9:55 P.M. The motion was duly seconded and passed by a voice vote.

SPECIAL SCHOOL DISTRICT MEETING
BRENTWOOD, NH
DECEMBER 11, 1985

The Brentwood Special School District Meeting was held at the Swasey General School on Wednesday, December 11, 1985. Bill Vahey opened the meeting promptly at 7:30 P.M. and proceeded to read the Warrant.

To see if the District will vote to apply for, accept and appropriate during the current 1985-86 school year, the sum of Fifty Three Thousand Nine Hundred Ninety Six Dollars and Seventy Two Cents ($53,996.72) which the School District anticipates receiving in State Foundation Aid (Augenblick Plan Funds); said monies to be in addition to, and not reverse against, monies raised and appropriated at the March 1985 annual school district meeting; and said monies to be expended for the following purposes:

Article A

Bill McCain made a motion to expend the sum of Fourteen Thousand Two Hundred Eighty Three Dollars ($14,283.00) for the purchases of Reading, Math, Social Studies, Science Spelling and Language Arts instructional supplies. The motion was seconded, there was no discussion and the motion passed unanimously by a voice vote.

Article B

Bill McCain made a motion to expend the sum of Six Thousand One Hundred Sixty Nine Dollars ($6,169.00) for the purchase of Math, Social Studies, Science and Spelling textbooks. The motion was seconded, there was no discussion and the motion passed unanimously by a voice vote.

Article C

Diane McCain made a motion to expend the sum of Three Thousand Eight Hundred Dollars($3,800.00) for the purchase of Two(2) computers. The motion was seconded. The Budget Committee recommended the purchase of one computer. Margaret Griffin, Principal of Swasey School was granted permission to speak by a unanimous voice vote. She explained the pressing need for one of the computers for a special needs child. She also discussed a handout showing the number of computers per child in the District. Bill McCain made a motion to amend the Article to expend the sum of One Thousand Nine Hundred Dollars($1,900.00) for the purchase of one computer. The amendment was seconded. The amendment carried unanimously. The amended article then carried by a voice vote.

Article D

Bill McCain made a motion to expend the sum of One Thousand Seven Hundred and Five Dollars ($1,705.00) for the purchase of Ten (10) [illegible]. The motion was seconded. Diane McCain explained the [illegible] donation of 20 chalkboards from AT&T. If the boards [illegible], the above monies will be returned to the Town. The [illegible] unanimously by a voice vote.

Article E

Diane McCain made a motion to expend the sum of Seven Thousand Seven Hundred Forty Four Dollars ($7,744.00) for the purposes of deficit appropriation. The motion was seconded and carried unanimously by a voice vote.

Article F

Diane McCain made a motion to expend the sum of Two Hundred Fifty Dollars ($250.00) for the purchase of timer boxes. These boxes would be for blinking lights to be installed at the State's expense on either side of the entrances to the school on Route 111A. Police Chief Bill Vahey wholeheartedly endorsed this expenditure. The article carried unanimously by a voice vote.

Article G

Bill McCain made a motion to expend the sum of Five Thousand Dollars ($5,000.00) for the purchase and installation of a dishwasher and a hot water heater. The motion was seconded. Diane McCain explained that the bids received for the above had come in significantly higher and did not include the cost of installation, but that the current school custodian has the expertise to do the installation. After some discussion, Bill McCain amended the amount to Seven Thousand Dollars ($7,000.00). The amendment carried unanimously by a voice vote. The amended motion then carried unanimously by a voice vote.

Bill McCain made a motion that the sum of Fourteen Thousand Nine Hundred Forty Five Dollars and Seventy Two Cents be applied against the 1985-86 school district appropriation. The motion carried unanimously by a voice vote.

Bill McCain made a motion to adjourn the meeting. The motion carried unanimously at 8:15 P.M.

REPORT OF THE SCHOOL ADMINISTRATION

Wayne F. Gersen, Superintendent
Nathan S. Greenberg, Assistant Superintendent

For the past three years, curriculum development has been the primary focus of the SAU #16 stafff. Working together on Curriculum Task Forces with parents and School Board members, teachers and administrators have written goals and objectives for every High School course and every curriculum area in grades 1 through 8 except science and language arts, which are currently being reviewed.

With the curriculum development work nearing completion, the Board and administration have turned their attention to the development of a long range plan for the six towns that comprise SAU #16. With the recent increase in the student population in the elementary grades, and the continued overcrowding at the high school, it is clear that significant expenditures will be necessary to improve and expand the facilities in our district. Some of the alternatives presented to the SAU Board to deal with population growth are:

* Constructing a new High School in Stratham for Stratham and Newfields students, while simultaneously renovating Exeter AREA High School for students in grades nine through twelve in Brentwood, East Kingston, Exeter, and Kensington.

* Constructing a new, second AREA Junior High in Exeter to house grades 7-9, moving ninth grade students from the High School and assigning them to the two AREA Junior Highs, and simultaneously renovating Exeter AREA High School to house grade ten through twelve students in the six SAU towns.

* Constructing a new AREA Middle School for sixth and seventh grade students in the six AREA towns, moving ninth grade students from the High School and housing them with the eighth grade in the Current Junior High, and simultaneously renovating Exeter AREA High School to house grade ten through twelve students in the six SAU towns.

* Building an addition onto Exeter AREA Junior High School to house ninth grade students from the High School, and simultaneously renovating Exeter AREA High School to house grade ten through twelve students in the six SAU towns.

Each of these alternatives requires the expenditure of <u>millions</u> of dollars on facilities for secondary students. Furthermore, none of the alternatives directly address the elementary facility needs, which are unique to each community. Thus, collectively, the SAU towns may be required to invest over $10,000,000 in their facilities in the next three to five years. Given the magnitude of the funds required, the SAU Advisory Committee voted to invest $15,000 to secure the services of an educational planning consultant. This consultant will: obtain accurate data on future pupil population; conduct a comprehensive review of the space needs in each town in the SAU; conduct public hearings on facilities improvements for parents and citizens; develop several alternative Master Plans for the SAU Boards to consider; help the the Boards weigh each of these alternatives; and, provide a Master Plan that addresses the long range facilities needs for each town in the SAU.

The consultant's report should be completed by the end of the current school year. This will enable the Boards to review the information over the summer, to develop specific recommendations by September, 1986, and to begin implementing those recommendations by the 1987-88 school year.

We hope you will work with us as we plan for the future. Once again, we appreciate your continued support for the education of the youth in our districts.

ANNUAL PRINCIPAL'S REPORT FOR TOWN REPORT-1985

The 1984/85 school year continued to be a year of positive growth, challenge and recognition for Swasey's staff, students and volunteers

Third grade teacher, Chris Weitzell, was nominated by staff, students and members of the community to participate in the "National Teacher of the Year" contest. She was chosen as a semifinalist and was named to the states Honor Roll for outstanding educators.

First grade teacher, Gail Stevens and parent-volunteer, Merril Dwyer, were named "Teacher-Volunteer Team of the Year" for the State of New Hampshire.

Our Swasey Volunteer Program coordinated by Carol Chapman and Cindy Sheldon received its fourth consecutive "Blue Ribbon Award" for its many voluntary efforts and endeavors. One endeavor which we will long remember is the spring carnival. Due to the outstanding leadership and organizational efforts of volunteer, Jim Patterson, and every volunteer who worked with him, a sound system for our stage became a reality as did many enrichment activities for our students.

Swasey also received a certificate of appreciation for its volunteer service to the Rockingham County Nursing Home.

Swasey students again celebrated "We Love to Read and Write Month" in February. This celebration culminated in April with fifth grader, Kathy Raymond being chosen as Swasey's "Young Author" for 1985. Kathy's book is entitled, "Kids Are Special People".

Swasey students also saw many of their written works published. Fourth grader, Reagan Pelletier, was recognized for her writing skills by the Federal Aeronautics Administration. Reagan's essay won the intermediate division (grades 4-6) award for the State of N.H.

Sixth grader, Sarah Kenyon, wrote an award winning poem entitled, "First Year Knowing" for the fifth annual holiday writing contest sponsored by the Foster's Daily Democrat.

Swasey was again chosen to participate in the New Hampshire School Boards' Education Festival which is held annually. This year it was held in Manchester.

Our fifth and sixth grade students participated in the elementary grades Math Contest sponsored by the New England Mathematics League. Swasey's top seven students were: Joel Cohen, Sarah Kenyon, Kent Ibsen, Heather Sheldon, Jeff Richards, Jennifer Ellis and Kendra Olson.

Fourth, fifth and sixth graders were also afforded the opportunity of being the first members of Swasey's Junior Historical Society. The Junior Historical has been very involved in community service. In late April, they petitioned the selectpersons to become volunteer caretakers of the Mary Sanborn Cemetery next to the school. Since then, they have been hard at work cleaning it up and maintaining it.

Swasey's peer tutor program was featured in the N.H. School Volunteer Program News and in the Granite State School Leader section, entitled, "Profiles of Excellence" in New Hampshire Public Schools.

Swasey was also awarded a New England Reading Association grant to implement the Big Books Program/Wholistic Lanaguage Approach to Reading.

This year for the first time, Presidential Academic Fitness Awards were given to elementary students. The criteria for receiving this award is as follows:

-students are to accumulate a B+ average throughout their elementary career, demonstrate extraordinary effort and score at or above the 80 percentile on their last nationally recognized standardized test.

Students receiving this award were: Laurie Zacher, Jeffrey Richards, Joshua Hodsdon, Heather Sheldon, Alison Denno, Christine Matson, Kent Ibsen, Sean Grange, Jennifer Ellis, Joel Cohen, Kim Berube and Stacey Atwater.

Recognition also came to Swasey Principal, Margaret Griffin. Margaret was one of one hundred principals chosen nationally to attend the annual Principal's Center Summer Institute at the Harvard Graduate School of Education.

Swasey staff members continue to participate in S.A.U. #16-wide curriculum committees to revise, develop and assess various curriculum areas. This school year, staff implemented new/revitalized curriculums in reading, math, social studies, and computer literacy. The curriculum areas of language arts and science are being currently developed and revitalized.

This year also realized the final implementation stage for project I.C.E.[Institute for Creative Education]. Project I.C.E. trains students in the skill areas of problem solving, productive thinking, divergent thinking and improves student communication skills. Not only has Project I.C.E. been shown to improve students' academic achievement, but it also increases their self-image and self-confidence as well.

Yes, the 1984-85 school year was productive and positive. It was a year in which the school, the parents and the community worked together to achieve our common goal, to provide quality education for each and every student.

Education is a sound investment for our future. Thank you for your continued support and for valuing each child's education.
